As the Senior Procurement Executive for the Office of Personnel Management (OPM), I certify in accordance with the requirements of Section 801 of the National Defense Authorization Act for Fiscal Year (FY) 2008, as implemented by Federal Acquisition Regulation (FAR) Subpart 17.7, that OPM will comply with all Department of Defense (DoD) procurement requirements for FY 2022 when conducting assisted acquisitions conducted on behalf of DOD. FAR 17.703 (d) requires that the DoD acquisition official, as defined at 17.701, shall provide to the OPM contracting officer any DoD-unique terms, conditions, other related statutes, regulations, directives, and other applicable requirements for incorporation into the order or contract. If you have any questions, please contact Shreena Lyons, Head of the Contracting Activity, Shreena.lyons@opm.gov.
